Subject: Notice of File Closure, Anasazi Gold Reserves, Inc., Scottish Rite Mine, S/055/0024, Wayne County, Utah

Dear Mr. Gatten:

The file for the Scottish Rite mine, S/055/0024, located in Wayne County, Utah, will now be closed.

The Division never found the Notice of Intention to Commence Small Mining Operations (Notice) to be complete or approved a reclamation surety for this mine. Available information indicates there was never any disturbance at this site, but if the Division later finds that the site was disturbed, the operator may be considered liable for reclamation costs.

If you wish to conduct any future mining or exploration related activity in this area, you will need to submit a new Notice to the Division and other appropriate agency(ies), and provide reclamation surety prior to creating any disturbance.

If you have any questions or concerns regarding this action, please contact me at (801) 538-5261 or Wayne Western at (801) 538-5263.

Sincerely,

Paul B. Baker
